

Hi Pia

First and foremost, I do hope you and the team at South East Asia Dreams are well.

The recent weeks and months have brought about significant challenge for businesses across the globe but as one of the first regions to go through the pandemic, South East Asia is also one of the first to emerge on the other side and the World Bank is largely optimistic about the region's future.

In further good news, I am delighted to contact you today, with the results of the **South East Asia Business Awards 2020** hosted by **APAC Insider**. With absolute pleasure, I can confirm that

## South East Asia Dreams

has been named;

**Best Online Boutique Travel Agency 2020**  
**Excellence Award for Unique Scuba Diving Experiences 2020**

I sincerely hope you are pleased with the results!

### How was I chosen?

Our independent judging panel takes note of all of the supporting documentation supplied via nominees and our online voting system. They then conduct their own merit-orientated research to verify the information and make a recommendation. Awardees must be able to demonstrate expertise within their field, dedication to client service, and/or commitment to excellence and innovation.

Once again, I congratulate you on your success and I look forward to hearing from you in the coming weeks!

Warm Regards,

**Laura Hunter (Awards Manager) on behalf of Katherine Benton -  
Awards Executive**
